Is it possible to add a dropdown list in the Subject column so we can see the "proposed solutions" or do we have to keep scrolling down?	You can use the search bar at the top, which will find the proposed solutions.	
How much time should we allow before following up on our cases?	This is variable across operational areas due to the nature of the functional work. UVAFinance is aiming for and commit to a first response service level agreements (SLA). More information is provided in FAQ version within the portal itself.	
UPDATE: Procurement Optimization project		
“I have vendors that refuse to do business with us because of the net 45, or to pay a fee for an ACH (they refuse to accept checks). Please roll that option out sooner than later!”		“It would be great if we just had NET30 (no discount) as the default payment terms. I have vendors who do not realize they signed up for a discount and they add the unpaid amount to my ‘balance’”.
In the supplier site within Workday under the Overview-Summary tab, why doesn't the vendor information include if they have a contract with UVA?	The Procurement contracts are being stored in a different system right now, so please see “Supplier Group” which indicates whether they have a contract or not.	See Top of Mind newsletter for screenshot.
